Product Description

Troy-Bilt Pony® 250cc 16" Rear Tine Tiller

The Troy-Bilt Pony™ rear-tine tiller is engineered to power through soil preparation, year after year, with a limited lifetime warranty on the transmission. Built with a cast-iron gear casing and precision bronze gears to help turn soil quickly in medium-to-large size gardens, and with 12" steel tines that slice, chop, and turn soil up to 7" deep.

- 16" tilling width makes the Pony™ ideal for medium-to-large-size gardens.
 - 250cc Briggs & Stratton® engine powers through the soil and is protected by a front bumper.
 - 12" bolo-shaped steel tines slice, chop, and turn soil up to 7" deep with depth stake assistance.
 - Power reverse and 13" ag tires are designed for flexible handling around rocks and other obstacles.
-
